

Oral Health Education Series 2019

School-Based Sealant Programs

Webinar May 14, 2019 | 12:30 - 2:00 PM

Ideal for Community Health Center Dental Clinic Administrators

- Learn how school-based sealant programs are an evidence-based approach to prevent oral disease.
- Explore the role of FQHCs and look-alikes in delivering public health dentistry in a school setting.
- Hear practical information from California community health centers who operate school-based sealant programs.
- Gain HRSA guidelines and tested tools for launching a successful dental sealant program.
