

Date:

Name of Test:

Describe briefly, at a high level, the test of change you are planning (What is the objective? What questions do we want answered with this test?):

**PLAN**

What is your plan? (Answers who, what, when, and where):

List the tasks needed to set up this test of change	Person responsible	When/where will it be done?

Predict what you believe will happen when the test is carried out

What data will be collected to determine if your test is successful?

**DO**

Describe what happened when you ran the test (what did you observe?)

**STUDY**

Describe the measured results and how they compared to the predictions (what did you learn?)

**ACT**

Describe what modifications will be made to the plan for the next cycle (based on your learnings)
